Certificate of Insurance Requirements

As per Section 9 of the Tradesman Agreement, you are required to supply Chem-K, LLC., d/b/a: Paul Davis Restoration of Central Illinois with a certificate of insurance that complies with the following requirements:

General Liability:

Limits: No less than $1,000,000.00

General Aggregate: No less than $2,000,000.00

Additional Insured: Chem-K, LLC., d/b/a: Paul Davis Restoration named as an additional insured on sub-contractors general liability insurance.

Workers Compensation:

Limits: No less than the state statutory limit

Certificate Holder:

Certificate holder must be listed as follows:

Chem-K, LLC
d/b/a: Paul Davis Restoration
608 S White Oak Rd, Ste 3
Normal, IL 61761

Additional Information:

A current certificate of Insurance must be kept on file in order to be an active sub-contractor for Paul Davis. **Non-compliance will result in no work and delay in processing invoices.**

Please give this document to your agent, so a proper Certificate of Insurance is submitted.
